Se déplacer sur un quadrillage

1

Aide ces petits à retrouver leur maman, code les chemins.

A 10x10 grid with a path starting from a blue dot at (2,2) and ending at a red dot at (2,10). The path is composed of blue, green, and orange segments. There are three animal icons: a cow at (2,1), a chicken at (2,10), and a horse at (3,10).

A matching exercise with three rows of animal icons. The first row has a cow on the left and a cow on the right. The second row has a chicken on the left and a chicken on the right. The third row has a horse on the left and a horse on the right.
